■ EPS Certificate Program Features and Advantages

- The program is designed for students who have already achieved an intermediate level of English proficiency but need additional English study in order to successfully study abroad in the USA.
- Classes address the most common causes of difficulty: meeting expectations for reading and writing at a university level and participating in classroom discussions.
- In addition to academic English skills, the program introduces students to advanced learning strategies to ensure success in university-level courses taught in English, as well as communication topics and skills relevant to students entering the workforce.
- FDU's learning resources and support centers provide additional support in language and academic content tutoring for remote learners.
- Small classes ensure personalized attention from instructors.
- Students can begin the program in the fall (August) or spring (January) semesters.
